Bridge Name and Address: Bridge in Jenner Township  
L.R. 55125 over Roaring Run  
Somerset County

Owner: Commonwealth of Pennsylvania  
Department of Transportation  
Transportation & Safety Building  
Harrisburg, Pennsylvania 17120

Statement of Significance: The bridge in Jenner Township is a well preserved representative example of small late nineteenth or early twentieth century Pennsylvania stone highway bridge. Its length of span, 31 feet, and rock faced ashlar construction are typical of this period of stone bridge construction. However, this bridge stands out among the nominated group as one of only five stone arch bridges nominated in western Pennsylvania.

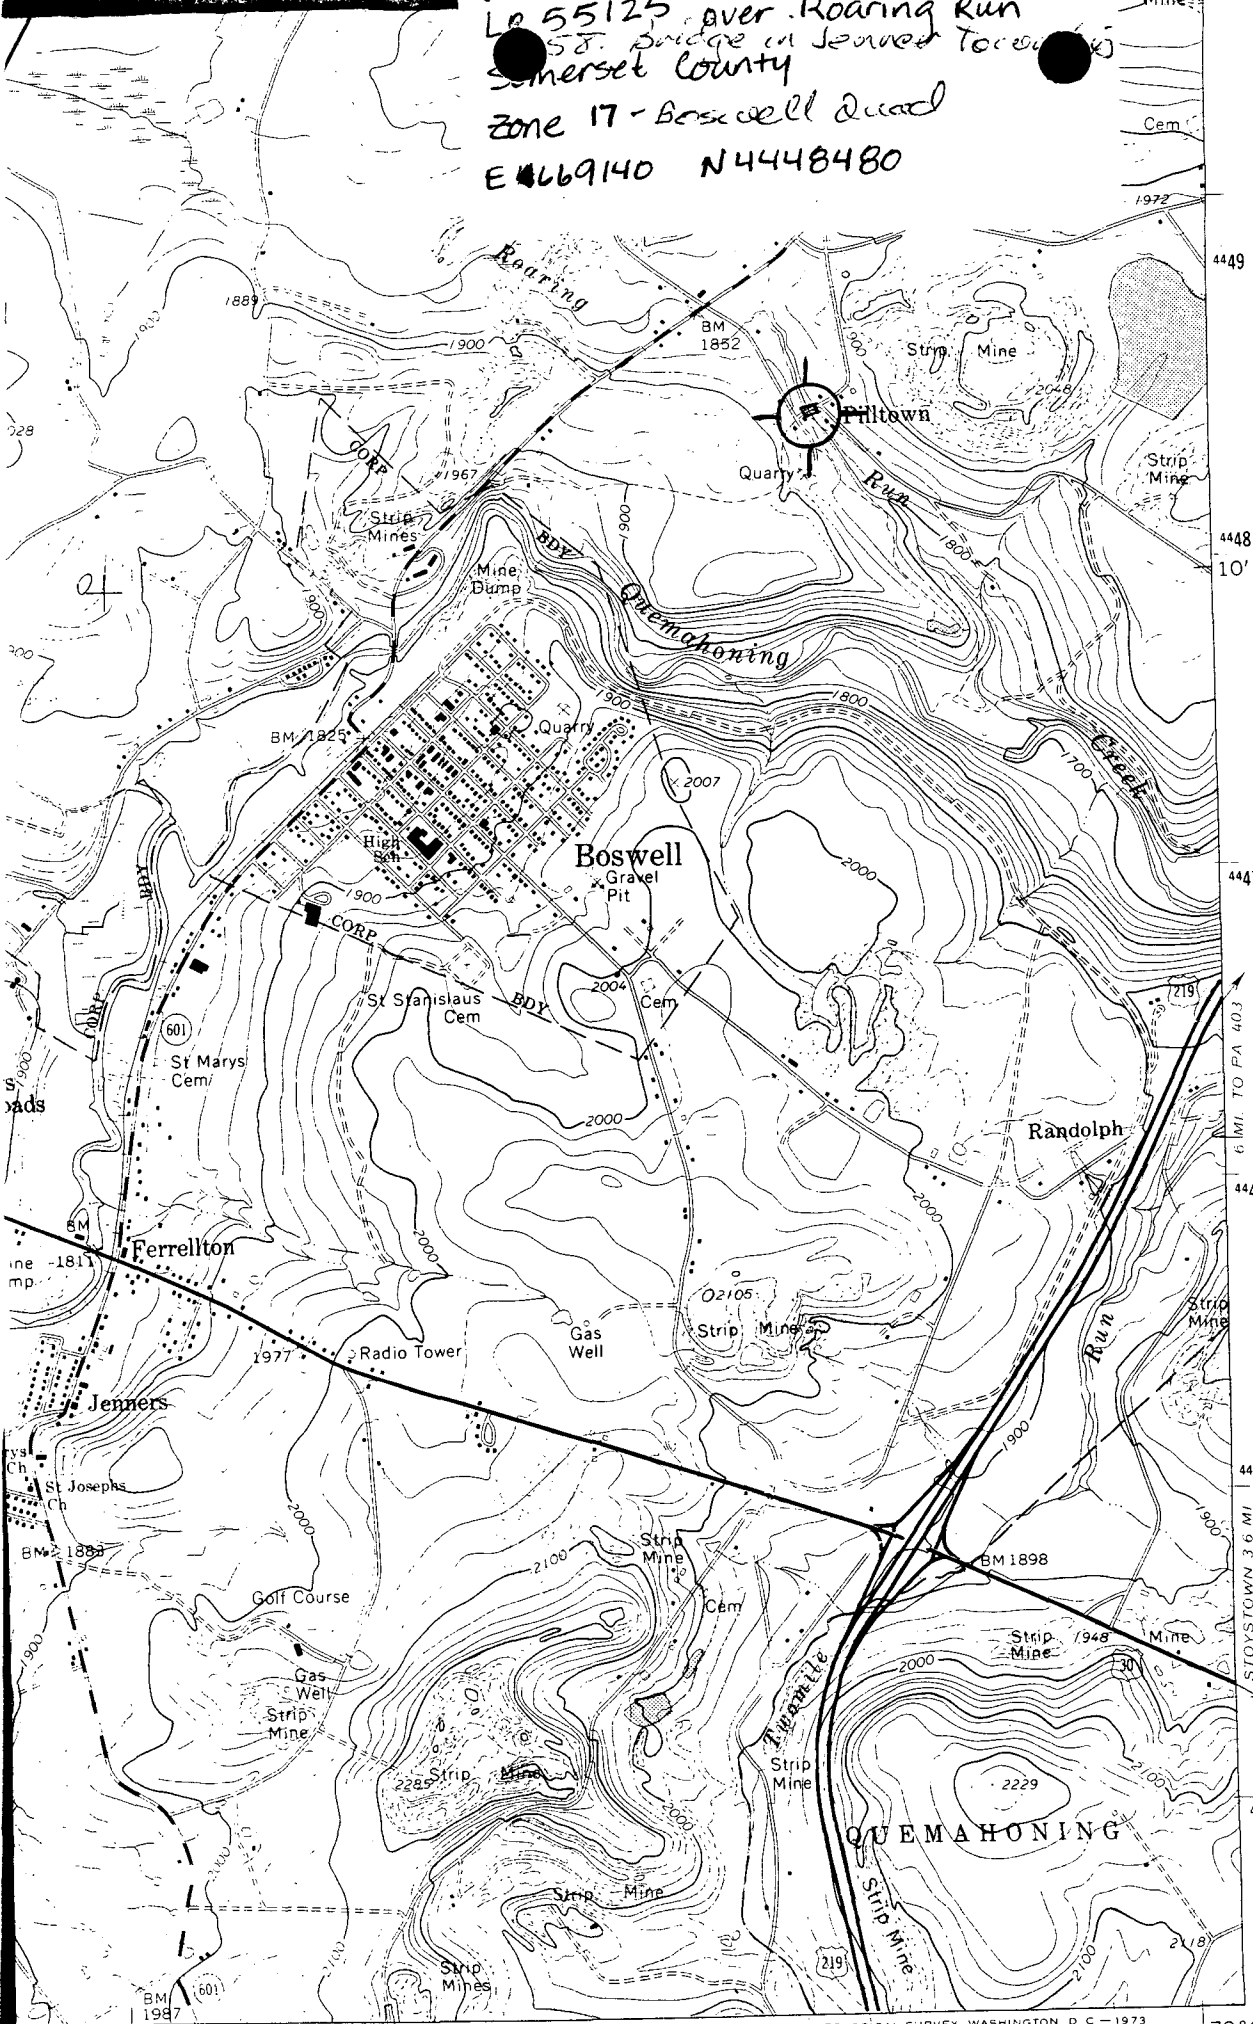

Area of Significance: Engineering

Boundary Description: The nominated property consists of a 52 feet long by 25 feet wide rectangle whose vertices coincide with the outside corners of the bridge's wing walls, and includes only bridge superstructure and substructure.

Acreage of Nominated Property: Less than one acre.
